

Floorboy XL 300

The Floorboy XL 300 is an eccentric rotating single disc machine which is mainly suitable for domestic use for cleaning and maintaining wooden floors and for applying maintenance oil on oiled floors. This handy, light machine is also suitable for use on stone floors, linoleum and other hard surfaces.

The Floorboy XL 300 is easy to handle because of its eccentric movements and therefore controllable for everyone.

Driving disc for 12" pads.

This driving disc is suitable for all kinds of pads.
